Whether you want to fly or drive, next door, across the country, or around the world, hot climate or cool, the mountains or the beach, city or country, large full-service resort or private enclave, outdoor activities, night life, or educational opportunities, we have you covered - the decision is up to you. Just select your bonus mini-vacation and go! With our selection there has to be one near you!

Remember, these Complimentary Bonus Vacation offerings are continually changing their requirements, locations, closing and new ones opening and therefore none of the locations or offerings contained in this booklet are guaranteed - these are just a sampling of what is currently available. You can, however, always see the currently available offerings at our independent reservation processor's website at www.VacationReservationsDesk.com on which the latest locations and requirements are maintained and new Reservation Request Forms can be downloaded. Because of the continual changes, only those locations and benefits of the latest version of the Reservation Request forms as shown on that site can be accommodated regardless of the version of the reservation Request Form submitted.

Just visit their website and print off the applicable reservation request form from the website and fax it to them. It's that easy!

If you don't have access to, or misplaced your package, you can always download the latest Florida & Bahamas Coupons from there.
